I hope this message finds you well.

I represent a leading oil refinery focused on optimizing global oil trading, providing both Russian and non-Russian petroleum products. Our strong supply chain ensures timely delivery, which is vital in today's fast-paced market.

We can supply to your region all kinds of Diesel Fuel like EN590.

I appreciate your consideration and look forward to potential collaborations. Please let me know if you have questions or would like us to share our (SCO).

Thank you for your time.

Best regards,
Ize
